

Flexible Membership – How far does my credit get me?

Flexible Membership at Bentham Golf Club offers you a way to enjoy golf membership without worrying about justifying the huge cost of an annual fee. It is effectively a pre-paid green fee option that allows you to play our wonderful course at a fraction of the price, whilst getting to know other members and enjoying the club's facilities at the same time.

Previously, our Flexi Membership offered 25 rounds, which could be used on any day at any time, for the membership fee. We have now recognised that time constraints and family commitments mean that it's not always possible to play 18 holes. As a result, we have adapted our offering to suit our customer's needs.

It is now possible to get more for your money with our Flexi Membership and also enjoy playing at quieter times or just sneaking 9 holes in. Below is an outline of our 'credit costs' for playing at certain times of day.

Flexible Membership is £275, which equates to 275 credits. Your credits can be used in the following ways:

Standard Rate

Available Tuesday – Thursday from 8am – 2:50pm.

18 holes = 11 credits (equates to 25 rounds)

9 holes = 7 credits (equates to 39 rounds)

Off Peak Rate

Twilight, Monday and Sunday rates

18 holes = 8 credits (equates to 34 rounds)

9 holes = 5 credits (equates to 55 rounds)

Peak Rate

Friday and Saturday until 2:50pm

18 holes = 13 credits (equates to 21 rounds)

9 holes = 9 credits (equates to 30 rounds)

If you would like any more information or wish to apply for our Flexible Membership, then please contact Isabel Marshall on 015242 62455 or email isabel@benthamgolfclub.co.uk
